Dear Oasis Club Members,

We hope that this message finds you and your family safe and healthy.

Considering the prevailing situation due to Covid-19 which has affected Kuwait Airways flight operations and travel restrictions in general globally, we had extended mile's expiry in June 2020 to December 2020 which were all further extended to be expired on 30<sup>th</sup> June 2021.

We are glad to inform that for our valued members once again Kuwait Airways management has decided to further extend the miles expiry until 31<sup>st</sup> December 2021. Therefore, **“No miles will expire until 31<sup>st</sup> December 2021”**

The miles expiry extension will be done in the system automatically and will reflect after 30<sup>th</sup> June 2021 to show as 31<sup>st</sup> December 2021.

We hope that the situation will improve soon and travel activity will recover enabling our members to utilize their miles to travel to their preferred destinations.

Stay safe and see you onboard soon.

Yours Sincerely,

**CP Department  
Kuwait Airways**
