

Dear Oasis Club Members,

We would like to bring to your attention that the next expiry miles schedule will be on 30.06.2023. Kindly check your account to see if you have any miles expiry.

Due to upcoming Eid Holiday and limited working hours, we recommend that you issue your tickets earlier and use your miles to avoid expiry.

Redemption tickets can be issued online through our website or at any KU sales offices or by calling the contact center 24/7 at 171 (inside Kuwait) or +965 24345555 Ext 171(outside Kuwait)

We thank you for your loyalty and choosing Kuwait Airways

Yours Sincerely,

Oasis Club
